

AKSHAY VATAKKE PALLITHAZHA

Fit-Out Engineer

(+971) 50-942-5227 | akshaypradeep273@gmail.com | Dubai, U.A.E | [LinkedIn](#)

CAREER SUMMARY

Experienced Architectural Site Engineer with over 5 years of expertise in architectural construction projects, specializing in meticulous observation and effective project management. Adept at enhancing project quality, optimizing resource allocation, and ensuring timely completion, and seeking to leverage skills in improving construction processes, managing budgets, and delivering high-quality outcomes in a dynamic engineering environment.

EXPERTISE

Project Management | Timeline Management | Team Management | Site Supervision | Structural Analysis and Design | Architectural Drawing | Project Documentation | Conflict Resolution | Communication | Problem Solving

TECHNICAL SKILLS

Design Software (AutoCAD 2D, 3ds Max, Photoshop, STAAD), Office Tools (Word, Excel, Power point)

EXPERIENCE

SITE ENGINEER/TEAM HEAD | Affix Architects & Interiors, Design Studio LLP | Kerala, India Nov 2021–Dec 2024

- Successfully completed **30+ projects** within a **3-year** timeframe, ensuring quality and efficiency.
- Conducted thorough **BOQ, quotation, and drawing reviews**, resulting in **cost reductions of up to 20%**.
- Maintained **continuous coordination** with architects, clients, contractors, vendors, and consultants, leading to **timely project completion (8-12 months per project)**.
- Implemented proactive site management strategies, **minimizing design revisions** and improving workflow efficiency.

SITE ENGINEER | Poonam Grah Nirman PVT LTD, | Kerala, India

Feb 2021 – Oct 2021

- Supervised a construction **crew of 25+** members, ensuring strict adherence to safety standards and maintaining a highly productive work environment.
- Conducted site surveys using **Total Station for point markings** and **Theodolite for levelling**, achieving precise site layout and accurate execution.
- Prepared **AutoCAD drawings** for level execution, facilitating clear communication and project alignment.
- Prepared and submitted **Daily Progress Reports (DPR), Bar Bending Schedules (BBS), and Machinery Registers** with **100% efficiency**, ensuring accurate tracking of project milestones, resource allocation, and regulatory compliance.

APPRENTICE CIVIL ENGINEER | Cochin International Airport LTD | Kerala, India

Oct 2019–Dec 2020

- Executed construction of **Vertical Link, Rapid Exit, and Lining Operational area Drain**, ensuring compliance with engineering drawings and specifications.
- Led **dismantling and reconstruction** of parking bay, optimizing space utilization and accommodating **increased capacity**.
- Managed the **resurfacing** of Runway, Taxiway, and Link Taxiways, achieving smooth operational surfaces with **minimal downtime**.

EDUCATION

DIPLOMA | Polytechnic Diploma in Civil Engineering | State Board of Technical Education, Kerala, India 2016-2019
